RYAN STATEMENT ON HOUSE DEMOCRATS' LEAK OF UNSUBSTANTIATED CBO HEALTH CARE BILL SCORE

House Budget Committee Ranking Republican Paul Ryan (WI) issued the following statement:

*"The Congressional Budget Office has confirmed that there is currently **no** official cost estimate. Yet House Democrats are touting to the press – and spinning for partisan gain – numbers that have not been released and are impossible to confirm. Rep. James Clyburn stated he was "giddy" about these unsubstantiated numbers. This is the latest outrageous exploitation by the Majority – in this case abusing the confidentiality of the nonpartisan Congressional Budget Office – to pass their massive health care overhaul at any cost."*
